

**FUJITEC Celebrates Its 75th Anniversary
Special Anniversary Logo and Website**

FUJITEC CO., LTD. (Head Office: Shiga Prefecture, Japan; President and CEO Takao Okada), a specialized manufacturer of elevators and escalators, celebrated its 75th anniversary on February 9, 2023. The company stated its appreciation for the many years of support it has received from stakeholders and others.

Established in 1948, Fujitec has developed and progressed with the growth of major urban areas. Now, as then, the mission and top priority of the company has been to provide comfortable elevators and escalators that offer safety and reliability.

Now with group companies in 23 countries and regions around the world, Fujitec intends to continue acting as a partner support to move, contributing to the development of urban infrastructure that meets the needs of a new age.

At the beginning of its anniversary project, Fujitec created a special 75th anniversary logo and website. The site will feature updated content related to the company's history and businesses.
