## **Fujitec has been awarded 26 Elevators & Escalators for the 60 Gracechurch Street Project, an Office Building Development Project in the UK**

**—First delivery of a Double Deck elevator of Fujitec UK—**

Fujitec Co., Ltd. has been awarded 26 elevators & escalators to the 60 Gracechurch Street Project, an office building development project in London, UK, through its Group Company, Fujitec UK Ltd.

The project is a redevelopment plan to rebuild an office building at 60 Gracechurch Street in the City of London's historic financial district by OBAYASHI PROPERTIES UK LIMITED. Fujitec is scheduled to deliver 22 elevators and 4 escalators. The elevators include Fujitec's first Double Deck elevator groups in the UK. Double Deck elevators, which consist of upper and lower cabs connected vertically, carry passengers on two cabs in one trip. Consequently, the smooth movement of people at the office building will be realized due to the high transport performance.

The project is scheduled for completion in early 2029.

## Comments from Fujitec UK Ltd.

It is a privilege to contribute to such a prestigious development, and we look forward to building a long-term partnership. The order for the 60 Gracechurch Street Project is a significant milestone for “All Fujitec” as we continue to demonstrate our capabilities in the UK’s elevators and escalator market. We see delivering this project successfully as a key step in expanding our presence in UK’s high-end elevators and escalator market. Our people are the foundation of our sustainable growth, and Fujitec UK is united toward the completion of the project. Fujitec UK has an exceptional Service Division that eagerly awaits opportunities to maintain escalators and elevators. For the 60 Gracechurch Street Project as well, we look forward to providing maintenance in pursuit of safety and reliability.
