The Genting Highlands is a general resort facility located in the suburb of Kuala Lumpur, the capital of Malaysia. Built at the heart of the resort is a high-class resort hotel called the Genting Hotel. It is an 18-story hotel developed by Resorts World Bhd, promoter of the development of the Genting Highlands. The hotel is serviced by 8 Fujitec elevators consisting luxurious designs. Also included in the Genting Highlands are a theme park, a casino and a high-grade condominium. Including the elevators which serve the hotel, Fujitec has installed a total of 84 elevators throughout the entire resort.
