

Building name

W Osaka

Location

Osaka Prefecture

Completion

2020

Total units

Elevator 10

The W Osaka opened in Shinsaibashi, Osaka as Japan's first W Hotel. Designed by world-renowned architect Tadao Ando under the concept of a "playground for adults," the 27-story hotel offers a different ambience from that of conventional luxury hotels. The hotel features 10 Fujitec elevators. The main two elevators to the lobby lounge have LED lights embedded in the walls, giving the space a unique aesthetic.

Owner	Sekisui House, Ltd.
Architect	Nikken Sekkei Ltd. Design supervised by:Tadao Ando
Contractor	Takenaka Corporation
