

Building name

Parks Tower

Location

Namba, Osaka

Completion

2007

Total units

Elevator 6
Escalator 6

As a redevelopment project located in Namba, Osaka, Namba Parks is a green city with a total floor area of about 30,000 square meters. Among commercial facilities, culture facilities, and terrace-like extending rooftop parks, Parks Tower is an super high-rise office building that gathers attention as a new landmark in Osaka.

With 30 floors above ground and three floors below, the building is served by six Fujitec high-speed elevators controlled by its state-of-the-art supervisory control system "Neuros" and six Fujitec escalators.

Owner	Nankai Electric Railway Co., Ltd./Takashimaya Co., Ltd.
