

Building name

Umeda Sky Building

Location

Umeda, Osaka

Completion

1993

Total units

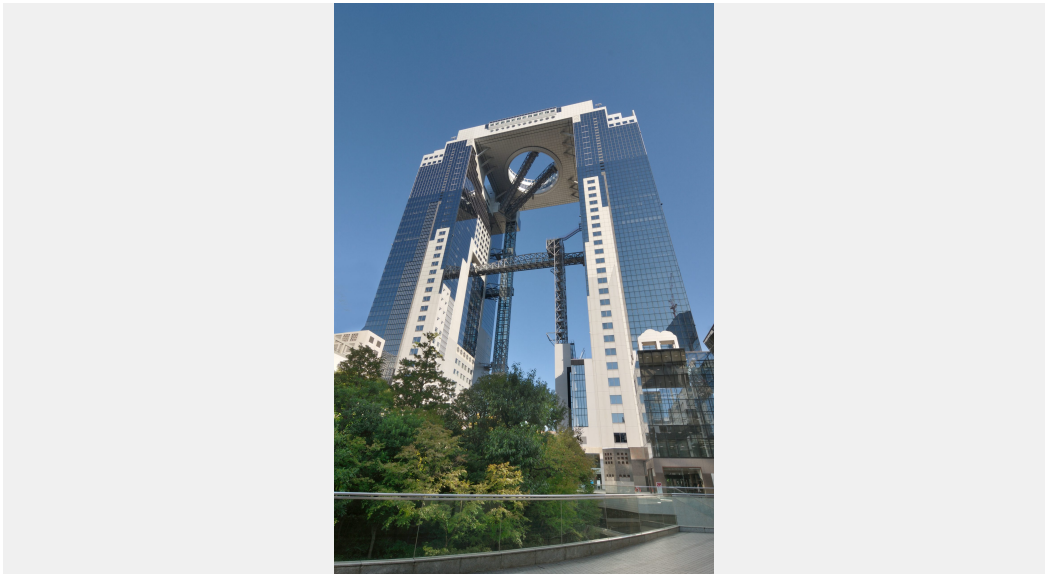

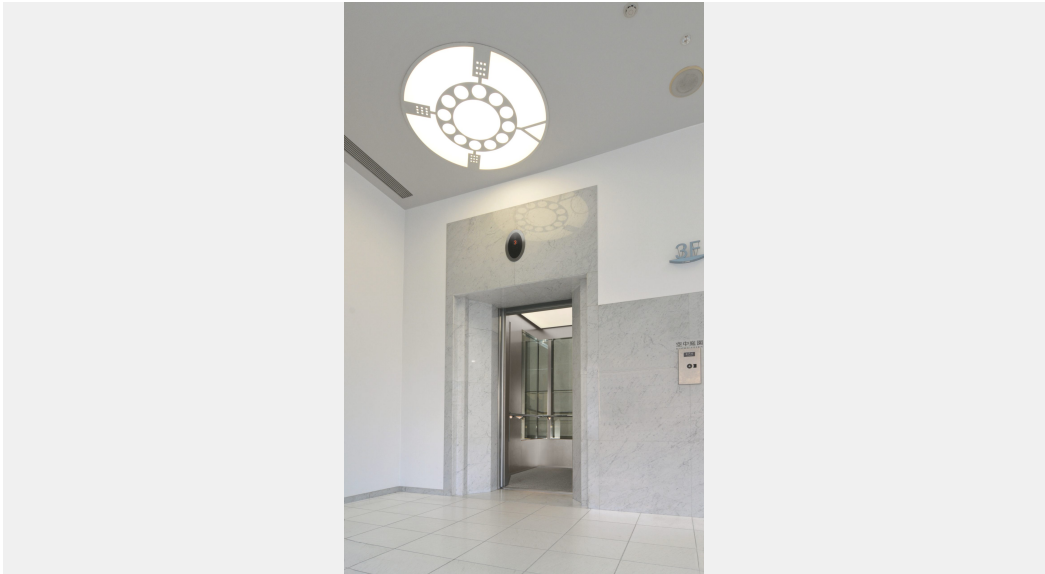

Elevator 2

The Umeda Sky Building stands next to JR Osaka station in the heart of Shin Umeda City, a sprawling urban area. The building consists of two 40-story structures that are connected at the top floors. It is the world's first high-rise structure of its design and full-glass Fujitec observation elevators installed on the outside wall of the building command an exhilarating view.

Owner	Sekisui House, Ltd.
Architect	Hiroshi Hara ATELIER /Kimura Structural Engineers/Takenaka Corp.
Contractor	Joint Venture of Takenaka Corp./Obayashi Corp./Kajima Corp.
