

Building name

Hay's Galleria

Location

London, UK

Completion

2021

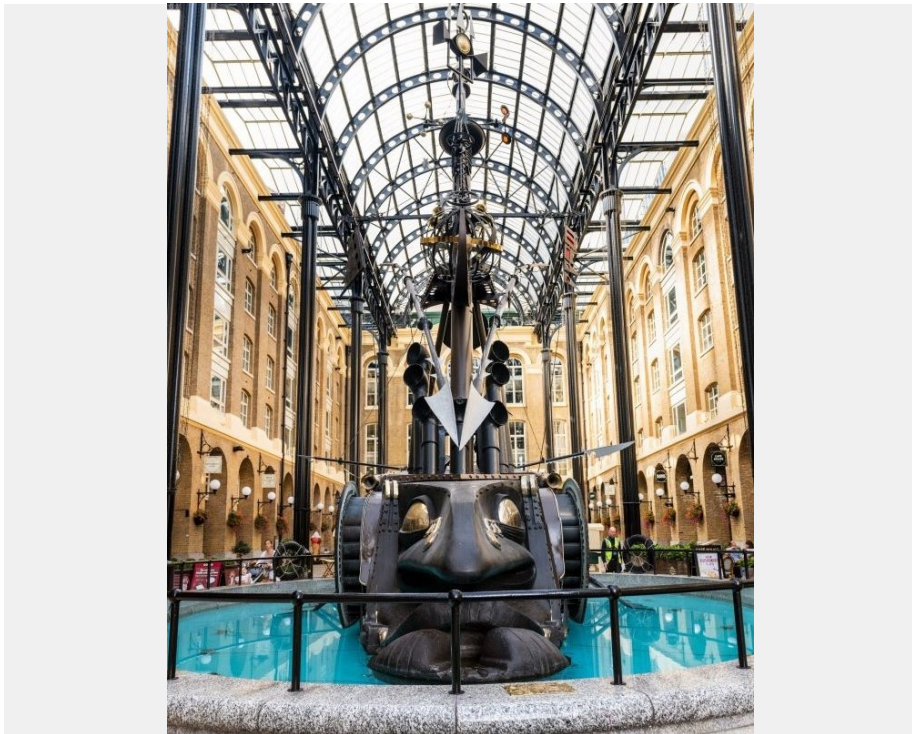

Total units

Elevator 9

Hay's Galleria is a mixed-use building in the London Borough of Southwark situated on the south bank of the river Thames featuring offices, restaurants, shops, and flats.

This building was originally a warehouse and associated wharf for the port of London with its distinguished galleria.

The buildings are one (1) floor below ground and six (6) floors above ground and inside the three buildings, "Goldings House", "Hay's Lane" and "Tea Auction House." Fujitec has delivered three (3) passenger MRL for each building total nine (9) elevators.
