

Building name

Harumi Island Triton Square Urban Tower

Location

Tokyo Metropolis

Completion

2001

Total units

Elevator

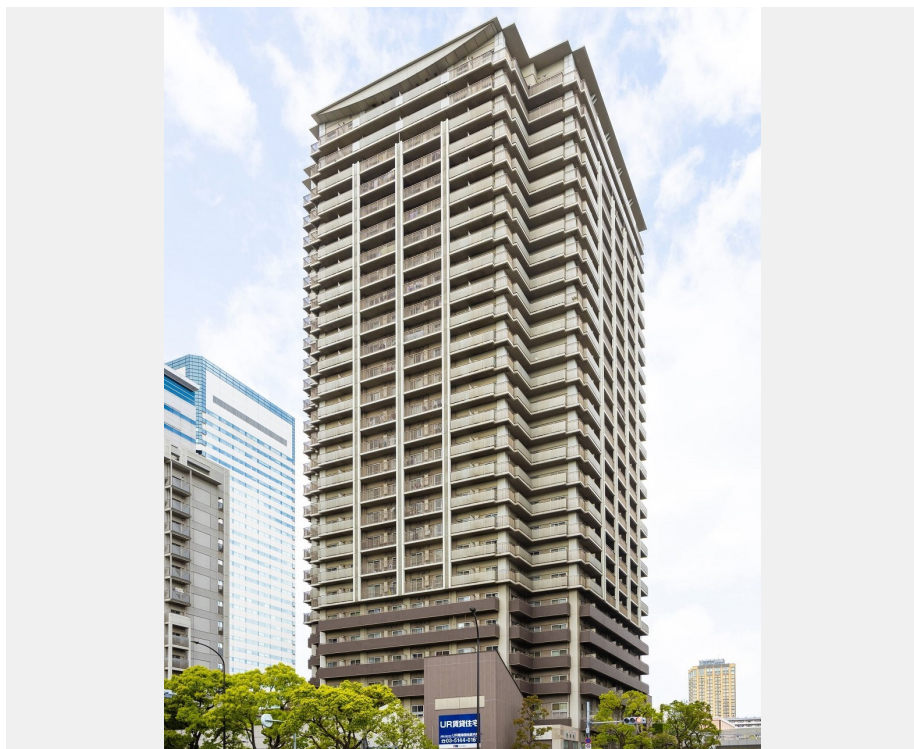

4

The "Harumi Island Triton Square Urban Tower" is a twenty-eight (28) story high-rise condominium with one (1) basement floor located in Harumi district, Tokyo.

Our four (4) elevators which have been in operation since the building's completion have been modernized.

Along with replacing the traction machines and other equipment in the machine room, inside the car the glass cloth ceiling design was adopted to create a brighter interior.

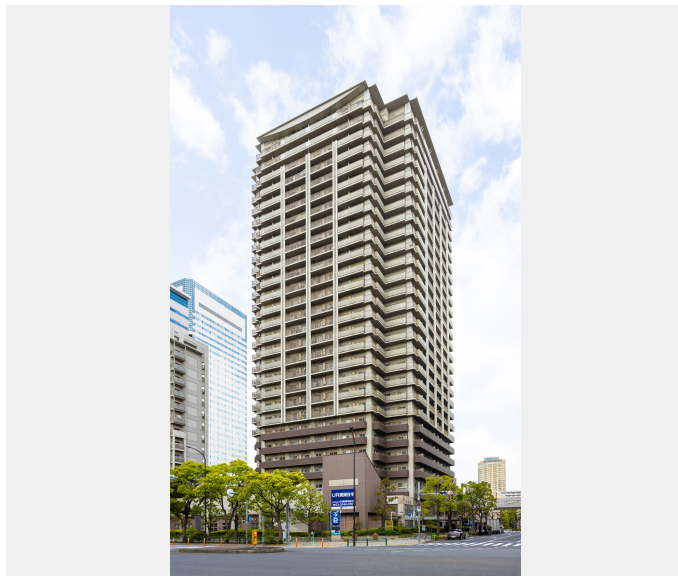

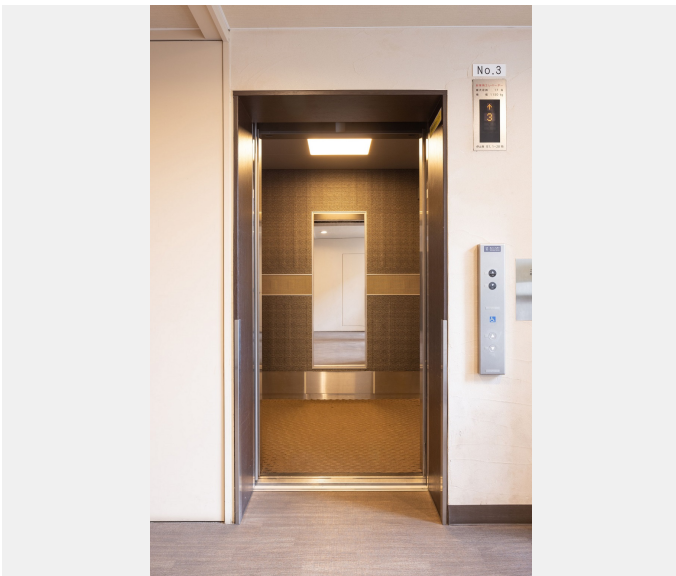

In addition, "Air Tap" (elevator touchless button) has been applied and the information display has been adopted for the landing indicator to support comfortable daily transportation.
