Seongnam, Korea

Completion

2001

Total units

| | |
|-----------|---|
| Elevator | 9 |
| Escalator | 4 |

The Korea Design Center is a strikingly innovative glass-clad building built in Seongnam-City, Kyunggi-do, in southern Seoul. With eight floors above ground and four below, the Center consists of offices and exhibition halls. A total of 13 Fujitec products serve the building: nine elevators and four escalators.
