Resort World at Sentosa, one of the biggest integrated resort facilities in East Asia, is located in Sentosa Island of Singapore.

It attracts the people's most attention as the wide range of entertainment spot where Universal Studio Singapore, Casino, the interactive type marine museum, 6 hotels and etc are clustered on a vast 490,000 m² site. Fujitec installed 181 units in total. Our elevators and escalators welcome visitors from overseas and support their inter-facility movement in this resort.
