

Building name

National Continuing Education and Training Campus

Location

Singapore

Completion

2013

Total units

Elevator	7
Escalator	4

The National Continuing Education and Training Campus, a vocational training school, is run by the Singaporean government. This vocational school and its sister school produce approximately 50,000 graduates each year. For the people learning vocational skills, 11 Fujitec elevators and escalators were installed in this campus.
