Located in front of JR Kannai Station and directly connected to Yokohama Stadium, the large-scale mixed-use complex "BASEGATE Yokohama Kannai" integrates a hotel, live-viewing arena, retail, and office spaces.

Surrounding a thirty-three (33) -story tower with a total floor area of approximately one hundred twenty-eight thousand five hundred (128,500) m<sup>2</sup>, the complex houses about fifty-five (55) stores in its commercial area.

It is advancing urban development that blends entertainment and innovation, aiming to become a new hub of activity in the Kannai area.

Fujitec supplied eight (8) elevators and six (6) escalators to this commercial area.

The elevators feature stainless steel materials, achieving a stylish finish that harmonizes with the facility's sophisticated spatial design, supporting comfortable and smooth movement for visitors.
